To ensure all policy documentation has been screened for equality impact.	Equality impact is a new area for the school to report on and policies will need to be reviewed and assessed.	Set up an EIA Team and approve an Equality Impact Scheme that can be promoted across the school.	2017 – an Equality Impact Scheme has been drafted ready for approval by Governors and Trustees.
Reviewing analysis of dashboard to develop appropriate intervention groups.	As part of the school's timetable, intervention sessions are identified for each pupil that will narrow gaps in attainment and assist in removing barriers to learning.	Assess each child pastorally and academically to ensure the most appropriate intervention(s) are put in place.	We are presently developing an electronic version of the pupil dashboard to record and monitor pupil progression.
